FOR LAWYERS AND LEGAL PRACTICES

4 things your lawyer website needs

People usually search for a problem, not 'law firm.' Your site should start there.

1. One page per practice area
2. Attorney bios, credentials first
3. Experience without case promises
4. A clear way to ask for a consultation

LAWYERS AND LEGAL PRACTICES

1

One page per practice area

Give family, employment or immigration work its own page on how a matter usually starts.

LAWYERS AND LEGAL PRACTICES

2

Attorney bios, credentials first

Bar admissions, years in practice and languages spoken first. Hobbies much later.

LAWYERS AND LEGAL PRACTICES

3

Experience without case promises

Describe the kinds of matters you handle. Leave out outcomes, since every case differs.

4

A clear way to ask for a consultation

Say how a first consultation works, what it costs if anything, and how to request one.
