FOR PIZZERIAS

4 things your pizzeria website needs

It's 7pm, a family of five is hungry, and your number is at the bottom of a PDF menu.

PIZZERIAS

1

Your number, tap to call, top right

Put it above the dough photos, so a hungry family can reach you with one tap.

2

Reservations in your own words

Walk-in only, or tables by phone or WhatsApp? Say so before the family sets off.

PIZZERIAS

3

The menu as text on the page

Group pizzas by type, with prices, so a parent can choose on a phone before calling.

4

A gallery that loads quickly

Six good photos of the oven and the pizzas beat forty that take ten seconds to appear.
