FOR COACHES

4 things your coach website needs

Prospects find you on LinkedIn, read three posts, then look for how to hire you. Nothing.

1. Packages with honest prices
2. A clear way to book a first call
3. Your approach before your CV
4. Testimonials with a name and city

COACHES

1

Packages with honest prices

A six-session package and a monthly retainer, each priced, so people know your level.

COACHES

2

A clear way to book a first call

Say how a first conversation happens and how long it takes. Make the link easy to spot.

COACHES

3

Your approach before your CV

Explain how you actually work with someone before you list the certifications.

COACHES

4

Testimonials with a name and city

'Maria, Lisbon' is believable. 'Client, Europe' is not. Ask first, then use real names.
