FOR DESIGNERS AND PORTFOLIOS

4 things your designer website needs

Your portfolio sits on a platform beside everyone else's. Clients can't tell you apart.

DESIGNERS AND PORTFOLIOS

1

Type that stays out of the way

Choose one typeface and let the work carry the color. Your site is the frame.

2

Eight projects, not eighty

Pick the work you want more of. Each gets a short note on the brief and your role.

3

Availability and a rate band

'Taking projects from March, day rate from' and a number filters out wrong inquiries.

Your email, written out

Put your address in plain text so a prospect can paste it into an email to their boss.
