FOR CERAMIC ARTISTS AND MAKERS

# 4 things your ceramic artist website needs

You sell in small drops. A generic shop template expects a warehouse.

CERAMIC ARTISTS AND MAKERS

1

# A page for the current drop

Show what's available now, say when the next drop opens, and leave sold pieces visible.

CERAMIC ARTISTS AND MAKERS

# 2

# Your story before the pots

Where the studio is, what clay you use, how long a piece takes. Then the products.

3

# No marketplace in the middle

Sell from your own page so the customer remembers your name and comes back to you.

# 4

# A product grid that works on a phone

Two pieces per row, large photos, price visible, so it reads on a phone screen.
